Mission

To empower individuals facing unexpected pregnancies by providing compassionate holistic care that addresses medical emotional and spiritual needs, fostering abundant life through education, resources, and hope. ,

Vision

A community where every life is valued, and individuals are equipped with hope, help, and resources when facing unexpected decisions.

Annual Gala

Goal: \$120,000

October 23, 2025 at Eagles Landing Country Club

The 2025 Annual Banquet will be a night of inspiration and impact, held on October 23, 2025, at the prestigious Eagles Landing Country Club. This cornerstone fundraising event will feature keynote speaker Pam Tebow, a nationally recognized advocate for life and family values. With an exclusive, intimate setting and a focus on strategic donor engagement, this year's banquet aims to raise \$120,000 to expand The Bridge Wellness South's programs, including launching a Fatherhood Initiative and increasing access to medical care. Sponsors will have the opportunity to gain premier recognition and meaningful engagement with our mission, ensuring their contributions directly support life-changing services for families in our community. Thrive Sponsors will receive VIP opportunities, including premium seating, exclusive access to a pre-event reception, and recognition throughout the evening. Comprehensive sponsorship packages, including combined opportunities for the Banquet and our annual Fun Run, provide year-round visibility and impact. Join us as we continue to empower lives and build a stronger future together.

FOR WE ARE GOD'S MASTERPIECE, CREATED ANEW IN
CHRIST JESUS, SO WE CAN DO THE GOOD WORKS HE
PLANNED FOR US BEFORE WE WERE EVEN BORN. EPH 2:10

2025 FUNDRAISERS

Baby Bottle Boomerang Goal: \$30,000
Year-Round - Reserve Bottles for Your Campaign Today!

One of our most impactful grassroots fundraisers, the Baby Bottle Campaign engaged local churches and supporters in a simple yet powerful way—filling baby bottles with change, cash, and checks to fund life-saving services. This year, more than 30 churches participated, and their collective effort helped us continue to provide free ultrasounds, STI testing, and parenting education to women and men facing unexpected pregnancies. Every dollar collected represented a step toward hope and a future for the families we serve.

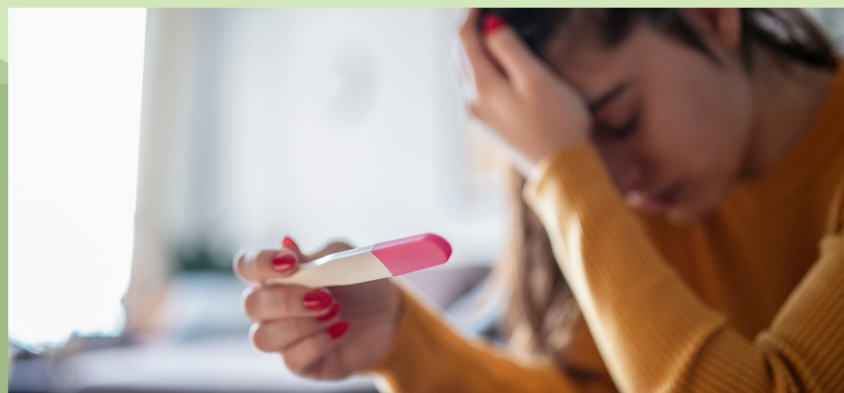

Run for the Bun Goal: \$13,000
April 26, 2025 at Salem Baptist Church

The Run for the Bun 5K is more than just a race—it is a community-driven event that brings together families, churches, and individuals united in support of life. Participants can run, walk, ride, or roll in honor of the precious lives saved through our services, symbolizing the journey that every mother takes in choosing life for her child. The funds raised help expand our prenatal education programs and boutique services, providing essential baby supplies and support for new parents who are choosing to build strong, healthy families.

Bridging the Gap

The Critical Need for Life-Affirming Care

At The Bridge Wellness South (BWS), we remain steadfast in our mission to provide compassionate, life-affirming care to women, men, and families facing unplanned pregnancies and health challenges. Our holistic approach integrates free medical services, emotional support, and spiritual guidance, empowering individuals to make informed decisions for their futures.

The Growing Need in Henry County

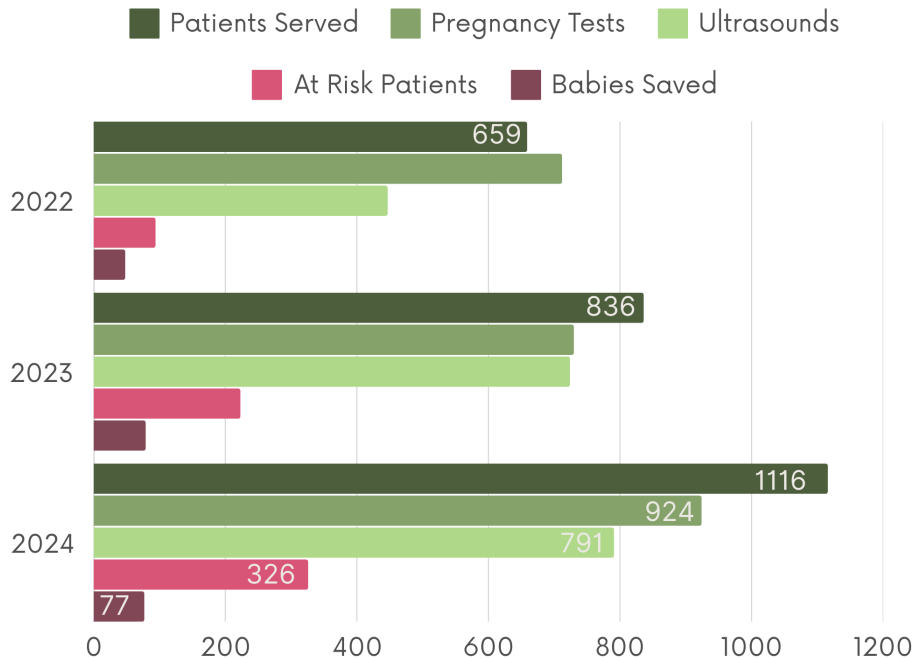

Despite our ongoing efforts, many individuals in our community still lack access to essential healthcare and support services. Economic hardships, rising healthcare costs, and gaps in affordable care disproportionately affect vulnerable populations, leaving them without the necessary resources to navigate their circumstances. Without intervention, these individuals face greater health risks, emotional distress, and long-term instability.

The need for holistic, life-affirming support in Henry County is more urgent than ever. Without increased funding and community partnerships, many at-risk women and families will go without essential care, counseling, and resources. We invite our partners, donors, and advocates to stand with us in expanding our reach and sustaining our mission. Every contribution, whether financial, volunteer support, or advocacy, fuels the life-saving work we do every day. Together, we are transforming lives, strengthening families, and affirming the value of every life.

The Bridge Wellness South Medical Program

Connecting care, faith, and wellness in one mission.

MEDICAL SERVICES AND IMPACT

The increasing number of pregnancy tests, ultrasounds, and spiritual discussions underscores the growing demand for life-affirming pregnancy care in our community. Our statistics show it is clear that the BWS plays a crucial role in providing holistic **support that changes lives**. However, as client numbers rise, so does the urgent need for expanded medical services, mentorship programs, and pregnancy education to ensure every individual facing an unplanned pregnancy has access to compassionate, comprehensive care.

Supporting The Bridge Wellness South means investing in life-affirming care and community transformation. Sponsorship packages include maximum visibility and exclusive opportunities to engage with our mission.

2024 SPONSORS

Event Sponsors

Event sponsors play a vital role in creating opportunities for both The Bridge Wellness South and businesses to partner for a shared purpose—investing in the well-being of our community. Through sponsorship, businesses align with a mission that values life, supports families, and provides essential medical and emotional care to those in need. In return, sponsors gain meaningful community engagement, brand visibility, and the chance to demonstrate their commitment to corporate social responsibility. These partnerships strengthen the local community by ensuring that life-affirming resources remain available while giving businesses a way to make a tangible, lasting impact alongside a trusted nonprofit. Together, we create a stronger, healthier, and more compassionate community.

At The Bridge Wellness South, our medical team plays a critical role in early pregnancy care, providing compassionate, life-affirming support from the very first appointment. Through free pregnancy tests, ultrasounds, and prenatal education, our staff helps women make informed decisions while ensuring the best possible start for both mother and baby. By integrating medical expertise with emotional and spiritual support, our holistic care model not only improves pregnancy outcomes—offering early intervention, prenatal guidance, and access to essential resources—but also strengthens our mission to empower families. Every heartbeat seen on an ultrasound, every conversation filled with hope, and every mother equipped with the confidence to choose life is a testament to the profound impact of this work.

Mission IMPACT

STORY

When Jasmine walked through the doors of The Bridge Wellness South, she was overwhelmed with uncertainty and fear. Facing an unplanned pregnancy while struggling with financial instability, she felt alone in her journey.

From the moment she was greeted by our team, she experienced the compassion and care that defines our mission. Through our medical services, she received a free ultrasound, where she saw her baby's heartbeat for the first time.

That moment changed everything.

With counseling, resources, and ongoing mentorship, Jasmine gained the confidence and support she needed to choose life and build a stable future for her child.

Today, Jasmine is thriving. With the help of The Bridge's parenting classes and community support programs, she secured safe housing and enrolled in a vocational training program. She often shares how the care she received not only saved her baby's life but also transformed her own.

"I didn't just get medical help—I found a family that believed in me," she says.

Stories like Jasmine's remind us why we do this work—because every life matters, and hope is always possible.

HOPE IS ALWAYS POSSIBLE!

2024 SPONSORS

Churches

Churches that support The Bridge Wellness South are not just giving to a cause—they are investing in a mission that upholds the sanctity of life and the call to care for the vulnerable. By partnering with us,

churches extend their ministry beyond their walls, reaching women and families with compassionate, Christ-centered care at one of the most critical moments in their lives. Their generosity provides life-affirming medical services, discipleship, and tangible support that reflects God's love in action. As the body of Christ, their giving directly fulfills James 1:27, caring for those in need and offering the hope of the Gospel to those facing difficult decisions.

BRIDGE OF HONOR

Church Partner Program

Pillar Partners: Churches who give at this level are our Pillar Partners. Pillars are deeply embedded in solid ground and provide the starting place for the other components of The Bridge. You share our core values of being rooted in Christ and it is upon Him the whole organization is built.

Foundation Partners: Churches who give at this level ensure The Bridge has a solid foundation to build the ministry on. The Bridge is only as strong as its foundation.

Girder Partners: Girders are an important part of The Bridge as they help distribute the load across all areas, so no one person bears the full weight alone. Without Girders, there isn't Bridge.

Cable Partners: Cables are the ties that pull The Bridge structure together. Cables ensure each part connects to the other to strengthen the overall mission of the organization.

Anchor Partners: While anchors may seem small in comparison to other parts of The Bridge, they are crucial to the overall structure. Anchors keep the various sections of The Bridge in place and unshakeable.

The Invest Parent Prep Program

Our iNvest Parent Prep Program equips new and expectant parents with the knowledge and confidence to build strong families.

Program Metric	2023	2024
Average Monthly Enrollment	118	112
Educational Class Participation	3469	4120

Volunteers are the heartbeat of The Bridge Wellness South, playing a vital role in transforming lives and strengthening our community. By giving their time, skills, and compassion, volunteers provide essential support—from mentoring parents and assisting with medical services to organizing community outreach and special events. Their dedication not only empowers the women and families we serve but also enriches their own lives with purpose, connection, and the joy of making a tangible difference. Volunteering at The Bridge fosters deeper community ties, strengthens faith, and allows individuals to be part of life-changing moments. When volunteers invest in others, they don't just serve—they become catalysts for hope, healing, and generational impact. Together, we create a community where every life is valued, and every person has the support they need to thrive.

Your Donation Matters

2025 THE YEAR TO THRIVE

Every dollar given to The Bridge Wellness South is more than a donation—it's a lifeline that transforms generations. Through our Thrive Initiative, your support empowers women and families facing unplanned pregnancies with vital medical care, fatherhood programs, and holistic support, ensuring they have the resources, mentorship, and spiritual encouragement to thrive. When a woman chooses life, your generosity not only saves her baby but also equips her with the tools for long-term stability and success. This kind of giving reflects God's heart for the vulnerable, creating a ripple effect of hope that extends beyond what the eye can see. Though donors may never meet the mothers they support or the babies whose futures they change, their faith-filled generosity builds stronger families, restores hope and leaves a lasting impact with eternal significance. By giving, you help one, and together, we save two.
